SAUFF Code of Conduct policy

This SAUFF policy document is a guideline to be used at official SAUFF events.

1. All athletes, boatmen and crew need to be cordial with fisheries officers and law enforcement with regards to access to boat and vehicle inspections.
2. Treat the venue and its local members with respect, that would also include, when necessary, giving the local members of a club 1st access to the launch etc.
3. Comply with the living resources act.
4. Assist in promoting the events sponsors and protecting their marketing materials.
5. Comply with local by-laws at the respective launch sites.
6. When attending international events, both at home and traveling abroad to represent South Africa or SAUFF; dress code and manner will be in line with the requirements of SASCOC, SAUSF and SASACC.
7. When attending a final National Championships prize giving the dress code would be full union formal.
8. The host union of a National Championship would need to:
   8.1 Be self-funded and manage expenses within their union. Will be responsible for their own fund raising, sponsors and marketing.
   8.2 Provide a takeaway trophy, at a minimum, to the Open category 1st, 2nd and 3rd. Ladies 1st, Junior 1st and Vets 1st if those categories are in fact contested. SAUFF would be responsible for the floating trophies.
   8.3 Do not provide “prizes etc.” to winners.
   8.4 Would need to have available a suitable venue for registration, briefing and final prize giving.
   8.5 The designated week will be for the national championships only, this week will be referred to as the National Championships.
